and that she planned to remain in Mexico City for at least one year. VEIGUTH indicated that subject was no longer connected with any Mexican migratory labor program, but he failed to disclose the nature of her present employment.

According to [ ] subject made application for a position in the employment office of the Hunters Point Naval Dry Docks in October of 1944. Informant said it had become apparent that subject had been conniving with Mrs. URSULA HODGE IRVINE, 1833 B Jones Street, employee's training supervisor, to secure the position of assistant to Mrs. IRVINE.

The observation has been made by Confidential Source A that URSULA HODGE IRVINE and subject were well acquainted as both of them had been assigned to the Visalia, Shafter and Stockton, California area while both were employed by the Farm Security Administration as Grant Supervisors. It should here be noted that URSULA HODGE IRVINE is the wife of CHARLES LOVELL IRVINE, the business manager of the Labor Herald, the official organ of the CIO, and known active leader in the CPA of San Francisco.

The personnel file of ELITH CRAIG at the Farm Security Administration Regional Office, San Francisco, California reflects that in April, 1940 subject commenced employment as Assistant Rural Rehabilitation Supervisor (Migratory Labor Camp with headquarters at Stockton, California). On May 5, 1941 she was promoted to Grant Supervisor and on February 23, 1942 obtained the position of Senior Grant Supervisor. In August, 1942 subject was laid off temporarily due to curtailment of FSA funds. As of September 4, 1942 subject was appointed to the position of supervisor in charge of the FSA duties at Chowchilla, California. On January 21, 1943 subject resigned without prejudice and her reason for this action was given as "illness." At the time of her resignation subject was the Senior Grant Supervisor with the Regional Office of the Farm Security Administration at San Francisco, California and her duties in that capacity were described as making grants to migratory agricultural workers in need, serving if necessary where grant offices were closed, supervises the acceptance of investigations and recording of all grant applications, determining the eligibility of applications.

The applications for employment completed by the subject at the Farm Security Administration Office, 30 Van Ness, and at the Hunters Point Naval Dry Docks reflect the following personal history information:

San Francisco 100-24709

Education: Moscow High School, Moscow, Idaho until 1932; Whitman College, Walla Walla, Washington, 1933 to June of 1937, majored in sociology; University of Washington, Seattle, Washington, summer of 1936, sociology and drama.

Employment: N.Y.A., Whitman College, Publicity Department, wrote radio publicity, research, and reader in sociology department; Dr. S. V. L. PERCIE, Whitman College, as reader for president of college who was blind; Frederick and Nelson Department Store, Seattle, Washington, July, 1937 to June, 1938; State Relief Administration, case worker in San Francisco, October, 1938 to January, 1940; Farm Security Administration, San Francisco, California, April, 1940 to January, 1943.

Relatives: ALMA V. CRAIG, mother, at Nespelem, Washington.

Former addresses: 1166 Clay; 462 Lombard; 1309 Montgomery; 321 A Filbert; 915 Hamilton, San Francisco, Calif.

The records of the Voter's Register, City Hall, reflect that FAITH CRAIG registered to vote in September, 1939, in July, 1942 and in August, 1944, furnishing her addresses as 319 Filbert and 915 Hamilton and listing her occupation as social worker and supervisor. On her July 21, 1942 registration she declined to state her party affiliation.

The office of the Assistant Postmaster, Main Post Office Building, 6th and Mission, advised that a change of address order had been placed for FAITH CRAIG on April 30, 1943 furnishing her address as in care of JOHN GROVER, 330 Starr Building, Washington, D.C.

A 30-day mail cover placed on the former address of the subject, 915 Hamilton Street, revealed that PAUL JOSEPH VEICUTH, a known

San Francisco 100-24709

Communist member with whom subject formerly resided, received letters marked "confidential" from Lieutenant G. E. CLING, Cass Presidio Monterey, Monterey, California. On March 23, 1945 from ZUPPANI, 14 Carmel Avenue, El Cerrito, California, c/o A. DIETLIKER and from PFC. HARRY A. BRUTON, ASN #39142056, 1st Vn. 63rd Inf. APO #670 PM San Francisco, California. *Q*

The records of the San Francisco Police Department, the Office of Civilian Defense, the Civil Service Commission Investigative Division, 100 Mint Building and SF 3 were checked without locating a record of the subject.

Additional former addresses were received through the Retailer's Credit Association of San Francisco as follows: Route 2, Box 321, Bakersfield, California; 401 Spotswood Avenue, Moscow, Idaho, and information was received from this source that subject maintains a special account with the Crocker First National Bank, San Francisco, California.

On Thursday evening March 20, 1947 I attended a meeting of the Communist Party U.S.A. at the home of Maxine and Max Moss, located at 1400 Greenwich St. in San Francisco.

I arrived at the meeting place at 8 p.m. Those present were:

1. Norma Feigherbaugh (Fagerhaugh)
2. John Lindburg
3. Faith Craig - Gov't worker
4. Cavendish Moxon
5. Decca - (Truehaft)
6. Jim Hart
7. Sally Pratt - Gov't worker
8. Maxine Moss - Gov't worker
9. Sylvia Steingart - Public School teacher

at FPMA now  
will be filed 4-30-47

The meeting commenced at 8 PM with a discussion on the National Questions as sent to you previously in outline form.

The main topic was-- self determination of the Negro race. The status to the Negro people as a nation rather than a race. Their right to self determination.

The conclusions drawn from the discussion were not completely in accord with the recommendations of the outline or Communist Party line.

During the dues collection, Faith Craig who is temporarily handling the dues, spent a few minutes with each person present, in an attempt to increase each members sustainer. Her private interviews lasted throughout the meeting.

The main portion of the meeting was devoted to a lecture by Decca from Headquarters, concerning the reaction of the Communist Party to President Truman's recent speech and the Greece situation.

Pertinent quotations from her speech, which was built along the "cry of crisis" line-- "That the turning point was here". "The party struggle of the past 20 years could be ruined by the present policy of the U. S. State department" Decca went on to say-- "the reactionaries in the Government are out to smash the Communist Party." "We must scrape the bottom of our pockets to save ourselves." She declared.

Decca also went on to say that the only way to "save ourselves from a concentration camp" was to fight by means of a publicity campaign to arouse the public to the wrongness of the President's policy. "The money on hand now is not nearly enough. We need at least \$250,000 to do the job" she said.

Decca also said that it might be necessary for the "Communist Party to decide" what a member should give up to the Party. John Lindburg made the statement "I will collect as many cigarettes as possible, as we might not get any if sent to a camp!"

Decca was successful in rousing the group to almost a state of panic. Each person pledged from 25.00 to 50.00 "as as starter". Moxon laid \$50.00 on the table. Jim Hart pledged "a substantial sum". Mortgaging of Homes and cars etc. were suggested as means of raising money.

Decca then stressed stringent adherence to security measures- no telephone use, frequent change of meeting place etc.

The meeting was adjourned with the agreement that the meeting time will henceforth be changed to the second and fourth Wednesday of each month.

The next meeting of the Drechei Branch of the Communist Party is to be held at the Home of Harry Steingart on Wednesday night April 9th.

It was noted that Harry Steingart has now moved to Birmingham where he is "organizing a group" according to his wife Sylvia.

A meeting of the Executive Committee was held after the regular meeting had been adjourned. The purpose of this special meeting was to listen to Deccas suggestions on security.

Decca informed the executive group that "all branch members should be warned that they might expect a visit from the F.B.I. at any moment" she went on to say that each member must be told that they are not to so much as speak to the F.B.I. without first consulting Communist Party Headquarters for advice" She said that each member should be told that the F.B.I. has no right to search or request any information of any kind. Any piece of information given the F.B.I. will be twisted by them (The F.B.I.) into incriminating evidence."

"If the F.B.I. is so damn legal then we will be legal too"  
Decca said.

Decca said that this warning was not given out at the regular meeting in order to impress the members with the importance of the "crisis".

(The Dowd case was touched on and used to tie in with the present scare to raise more funds)

Reference is made to the report of Confidential Informant [ ] concerning a meeting of the Theodore Dreiser Branch of the Communist Party, held on March 20, 1947. This report is contained in subject file as serial 11 and refers to FAITH CRAIG as a government worker. A review of previous reports submitted by [ ] reflects that on Wednesday, February 20, 1947, this Informant attended a meeting of the Theodore Dreiser Branch at the home of HARRY STEINGART, 273 Green St., San Francisco, at which a new member was introduced whose first name was FAITH and whose last name was not at that time known by the Informant. The Informant furnished the following description of FAITH, who is identical with FAITH CRAIG.

Age	29
Height	5'8"
Weight	130 lbs.
Hair	Dark brown, kinky
Peculiarities	Slightly Jewish looking; wears large green stone in silver setting on wedding finger
Children	1
Organizations	Member of U.P.W.A.

The Informant reported that FAITH was a friend of JOHN LINDBURG and previously belonged to a CP group "in the East". On April 16, 1947, Miss BARBARA KENYON, Chief of the Employment Unit of the Federal Public Housing Authority, Room 447, 760 Market St., San Francisco, advised that FAITH CRAIG was at that time employed by the FPHA as a project adviser but that her position was to be abolished as of April 30, 1947, due to a cut in their personnel ceiling. Miss KENYON made subject's personnel file available for review and due to the fact that considerable background information has already been obtained with regard to subject, it is not being set out here if previously reported.

The file reflects that FAITH CRAIG received a temporary appointment March 18, 1946 as a project services adviser, grade P-1, salary \$2320 per annum. On October 30, 1946, she was promoted to the position of project services adviser, grade P-2, salary \$3397.20 per annum, in the management division, project services section.

The file reflects that FAITH CRAIG resides at 915 Hamilton St., San Francisco, is divorced, is 5'4½" tall, and weighs 130 lbs. Her education and employment record is consistent with that previously set out in our file, with the exception that from December 20, 1945 to March 18, 1946, she was employed by Food Specialists, Pacific Building, San Francisco.

*Last  
all 5/6* ✓

About January 15, 1946, she was loaned to the FPFA for work in a newly organized veterans' clearing house. On May 1, 1947 Miss KENYON verified the fact that FAITH CRAIG had left the employment of the FPFA on the previous day and that her forwarding address was listed as 915 Hamilton St., San Francisco. Miss KENYON had no information concerning her future employment plans. However, [ ] has advised that late in April FAITH CRAIG contacted DAVE JENKINS, Director of the California Labor School in San Francisco, with regard to "a job". A review of subject's case file reflects that considerable background information has been obtained concerning her and that no information has been obtained indicating any activity in the Communist Party over and above membership. She is not the subject of a security index card and it is not believed that she should be. Therefore, it is recommended that this case be placed in a closed status.

RE: NED KRAMER  
INTERNAL SECURITY - C

Confidential Informant [ ] reported a discussion at Communist Party headquarters on June 27, 1947, among DAN MAH, HARRY WILLIAMS, and an unidentified party member named JOHN \_\_\_\_\_. The discussion dealt with some type of friction that is presently going on in the Theodore Dreiser Branch. The informant noted that it was decided to call NED KRAMER, who was identified as a present member of the above branch, to Party headquarters on July 5, 1947, for questioning concerning some phase of Party security. The informant was unable to tell whether KRAMER had run foul of security regulations because he was too discreet or too indiscreet, but it appears that his present acts and attitude constitute a threat to the security of the other professional members of the Dreiser Branch.

During the discussion, the informant also obtained information confirming the membership of Faith Craig in the Theodore Dreiser Branch.

It is suggested that the agent to whom this branch is assigned review the informant's report on this matter, which is filed in 100-27143, under the date of June 27, 1947.

FAITH CRAIG, of the Spanish Refugee Committee, called NORMAN CANRIGHT and asked if he remembered the story in the PW re the six kids from Spain who went to France and then stowed away on a ship and ended up in Portland. FAITH said the kids are now being held in Seattle and are slated to be sent back to Spain on the first ship to go there. FAITH said that of course meant that they will be shot as soon as they return to Spain. FAITH said it could be avoided if they (SRC) can raise a couple of thousand dollars to pay the kids' fare to Venezuela and some money for them after they get there. FAITH said they have a certain Congressman interested in the case and they may be able to help them. FAITH said the kids would be safe if they can get them into Venezuela. FAITH is anxious to find the story re them in the PW, but has not been able to find it. NORMAN said that he has no index at the present and is in the middle of a deadline right now, but will look later and try to let FAITH know tomorrow morning. FAITH said she has to get some letters off and she will keep looking too.

AL RICHMOND expressed no little surprise at hearing about this last person, and asked FAITH if the state Department had finally broken down and given her a visitor's visa or an entrance visa. FAITH said that she did not know and said that she has been wondering if she is being sent out here so they can hang themselves. FAITH said that she would give AL more on that later.

FAITH then said on Madam CURIE (ph) we have finally received word from New York, she is going to be here one day, she gets in at 1:30 Tuesday and she leaves Wednesday morning, and they said that is is inadvisable to hold any press conference Friday, in New York. FAITH said that they would send us mimeograph copies, but of course it would be too late to distribute it to the press and also she would meet with ALBERT EINSTEIN this afternoon, and that pictures would be taken and a release would be sent out. FAITH said release the stuff you have and run it today. GEORGE said he would run the story tomorrow morning.

RE: MME IRENE JOLIOT-CURIE  
INTERNAL SECURITY - R

In connection with the JAFRC reception given for Mme. CURIE on Tuesday, March 23, 1948, at the Palace Hotel, the writer on March 22, 1948, contacted Mrs. [REDACTED] who has furnished considerable information to this office in the past. In reporting any material furnished by her, her identity should be kept strictly confidential. Mrs. [REDACTED] stated that she had received an invitation to the dinner honoring Mme CURIE and it was suggested by the writer that she attend. Mrs. [REDACTED] contacted HELEN PELL of the JAFRC and HELEN PELL asked Mrs. [REDACTED] to serve on the reception committee for Mme. CURIE. Mrs. [REDACTED] did this and attended the reception which was held at 6:30 PM at the Palace Hotel and lasted until approximately midnight. She furnished the following information concerning those in attendance.

She stated that Dr. THOMAS ADDIS acted as chairman for the organization and that Mr. JOSEPH F. THOMPSON, who was listed as Chairman on the program, did not attend. Present also were Soviet Consul General EFRIMOV and his wife, and a Soviet Vice Consul, not positively identified but believed to be IVAN TARASOV. The French Consul General, RAOUL BERTRAND, and French Vice Consul General, ANDRE ROUSSELET, attended; also, one RAMON LAVALLE, Argentine national who was consular representative in Spain from Argentina during the Spanish Civil War. Mr. ZLATKO BALOKOVIC, a member of the All Slay Conference from New York City, who was listed as a member of the Reception Committee, was also present, as were SIDNEY ROGER, HELEN BRYAN, HELEN PELL, FRED A SALZMAN, EVELYN TURNER, all members or former members of the JAFRC, LEONARD and ALINE POCKMAN, Communist Party members, Dr. FRANK WEYMOUTH, a professor from Stanford University, DAVE MARSHALL, a Communist Party member, ELINOR KAHN, also a Communist Party member, and FAITH CRAIG, formerly with the JAFRC and a Communist Party member. In addition, the informant stated she met an individual known as GLOKOVICH, and one known only as SEDZELEY. She had no further identifying data concerning them. Dr. STEPHEN FREDERICK of the First Unitarian Church of Los Angeles made the request for donations. He was formerly of Boston, Massachusetts. In total there was collected, \$2,065.00 from between the 200 and 300 people present. One PAUL BOULET, believed to be the chef at the Palace Hotel, contributed \$100.

During the evening, TANYA NEWMAN conversed with the informant and expressed interest in how many FBI agents were present. TANYA told the informant she was formerly from New York City; that she had a close friend who had married an FBI agent in New York City, and that she knew how the FBI operated, and she expected they would have plenty of agents planted in the audience. The files of this office contain no prior record of TANYA NEWMAN.

The informant stated that Mme. CURIE spoke but that her talk was not satisfactory as her English was very poor, and that after the talk there was a question and answer program. Of interest, she said that the question was asked Mme. CURIE as to whether she thought there could be war between RUSSIA and FRANCE, to which she replied that this was unthinkable. She was also questioned as to what countries had done atomic energy research on a large scale sufficient to produce an atomic bomb. She stated that no country, with the exception of the United States, could possibly have an atomic bomb, except possibly Russia, but that nothing was known concerning atomic research in Russia. The informant said this remark seemed to cause considerable embarrassment to EFREMOV and TARASOV.

The informant furnished a copy of the invitation she received which contains the names of the National Reception Committee and the program for the evening of March 23. In addition, the informant obtained the autographic signature of Mme. CURIE. These are being made exhibits to the file.

On March 24, 1948, the writer contacted ROBERT F. DAERR, Security Officer at the Radiation Laboratory, Berkeley, California, who stated that Mme. CURIE had visited the University of California campus on March 24; that she had first visited with EMILIO SEGRE, Associate Professor of Physics at the University and employee of the Radiation Laboratory, who introduced her to Dr. GLENN T. SEABORG, who is chief of the Chemical Research being conducted by the Radiation Laboratory at the University of California, and that Dr. SEABORG took her to lunch. Mr. DAERR said that she made no effort to visit the Radiation Laboratory installation at Berkeley. On the same date, Mrs. [redacted] telephonically advised that Mme. CURIE desired to meet Dr. E. O. LAWRENCE when she was at the University but that he was unavailable.

Copies of this memorandum are being placed in the case files of the individuals mentioned herein for information purposes.

SUBJECT: STUDENTS COMMITTEE FOR ACADEMIC FREEDOM  
INTERNAL SECURITY - C

On 6/6/52, [ ] furnished the writer with a report concerning a meeting of the SCAF held on 5/23/52. The informant could furnish no further information concerning this meeting and the original report will be filed in 100-32026A-86A(19). The report is set out as follows:

"25 May 1952

"On Friday 23 May, I attended a meeting of the Student Committee for Academic Freedom (SCAF) at 456 Vallejo Street. As a party was to follow the business meeting, a rather large crowd of people were present including:

"KRIS KIRK (100-26512)  
HILDA KIRK (100-25894)  
MARJORIE WIESS (100-34117)  
VIRGIL BIRDSALL (100-32026A)(SF 1867-S)  
JEAN BIRDSALL (& Family) (100-33440)(SF 1812-S)  
JOHN ESHIA (100-34995)  
FRANA LIPSON (100-31130)  
ANN TOMPKINS (100-27320)  
BETTY SILVERMAN (100-34423)  
LEE (MARJORIE WIESS's boyfriend)  
JIM GROGGINS  
MARILYN LEIGH (100-32559)  
MASHA ZAKHEIM (100-31864)  
PAITH CRAIG (entertainer) (100-24709)

"The total attendance was approximately thirty or thirty-five, and of this number only a small number, probably 12 to 15 were members of SCAF.

"BETTY SILVERMAN's charges against the KIRKS and her motion to have them dropped from the organization were coolly received. She accused them of being stoop pigeons for either the Immigration Department or the F.B.I., and as being responsible for the investigations being levelled against foreign students at State.

"Her evidence was:

- 1) Several cases in which the KIRKS had either "pumped" information from foreign students, or tried to get them to join neighborhood peace organizations, and were shortly thereafter called in by Immigration authorities. She refused to divulge the names of any of these students.
- 2) Was kicked out of the Communist Party, and NMU, and a friend of BUTCH SAUNDERS, the stoolpigeon.
- 3) Was a foreigner himself and subject to intimidation.
- 4) HILDA had attempted to "steal" some news clippings from her.
- 5) HILDA had purchased \$7.50 worth of paper for SCAF which she was not authorized to do, and presented the bill late indicating that HILDA knew she had done wrong, had shown little concern about the money and therefore is probably a paid informer.

"The KIRKS of course vigorously denied the charges and received extensive support from JIM GROGGINS and others. Almost everyone, especially visitors took a stand against the ridiculous evidence BETTY had available, and indicated that SCAF was designed to fight just such tactics. HILDA became very upset and at one point was shouting out her defense (out of order).

"JIM GROGGINS implied the whole charges were a filthy plot by five people, and indicated that MARJORIE WIESS, BETTY SILVERMAN, MARILYN LEIGH and JOHN ESHIA were a part of it, and used filthy language in saying so.

"MARILYN LEIGH, FRANA LIPSON, LEE \_\_\_\_\_ AND STEVE \_\_\_\_\_, gave moderate vocal support to BETTY's charges, but were attacked for it by more liberal elements in the crowd. However, the vote carried BETTY's motion, six to five.

#### "ILLEGAL VOTE:

The motion could not have passed had not VIRGIL BIRDSALL voted in favor of it, and VIRGIL is not, and never has been a member of SCAF. HE supported BETTY at her insistence with the assurance that MARJORIE would fix the records to make him a member of SCAF in case his vote was challenged.

"The KIRKS left shortly after their expulsion.

It is to be noted that there were twenty-three other names on the list which the subject either could not recall at all or was uncertain about.

The writer read to the subject another list of names compiled from names of persons who are somewhere mentioned in subject's file. There follows the subject's comments about those names which he remembered:

- GLADYS ATZAROTH (100-2780) - Definitely a member of the CP; saw her at many meetings and at the CPA Convention in September, 1944.
- FAITH CRAIG (100-24709) - A member of the CP, who lived at same address for a while, the address being 915 Hamilton Street, San Francisco.
- MARA ALEXANDER (100-25666) - Doesn't know if member of CP, but was surely a CP sympathizer.
- CARL WILLIAMS (100-20943) - Worked for the DPW and was CP sympathizer although not sure he was in CP.
- NORMAN CANRIGHT (100-20509) - Was once Editor of the cultural page of the DPW, but doesn't know if he was in CP.
- AUBREY GROSSMAN (61-149) - Visited his home for several evenings of cultural discussion, but not certain he is in CP.
- HOLLAND ROBERTS (100-9884) - Was Director of the CLS and a CP sympathizer.
- SONIA IVANOFF - Was a member of the ARI.
- MARIE SCHLOSSER (100-28443) - Was an instructor at the ARI.
- Dr. WILLIAM BERKE (100-10256) - Had dental offices at 516 Sutter St., San Francisco, and organized the series of lectures "Know the Soviet Union" to be presented at the CLS; not sure he is in CP, but was decidedly a CP sympathizer at least.

Memo, SAC

San Francisco, California  
May 20, 1953

FRANK WEYMOUTH (100-10731) - Vaguely remembers him as being somehow connected with the DPW.

LEV SHORR (100-23955) - Not in CP, but was a pianist who frequently played for left wing organizations without charge.

NAT YANISH (100-526) - Was employed by the DPW and a CP sympathizer.

Dr. HENRY MAYER (100-24957) - Was in the ARI.

AL GOODMAN - Believed he worked for the DPW.

FRANK CASTELAN - Believed he worked for the DPW.

FRANK GARCIA (100-20586) - Was a member of the Potrero Branch.

Mrs. ELLA LYNCH (100-20714) - Was a member of the Potrero Branch.

Memo, SAC

San Francisco, California  
May 20, 1953

It is to be noted that there were fifty-two other names in the list which the subject either could not recall or was unsure about.

From the above and from general observations of the writer and SA VINCENT T. MILMORE, it is the opinion of the two agents that the subject was being truthful when he advised that he had never been too active in CP affairs and that in any case he had an extremely poor memory for names. It is questionable if the subject would ever have made any identifications without having the above mentioned lists read to him, and it is even more questionable, that the statements made by the subject as to any individual would bear close examination. It was only in a very few cases that the subject seemed at all certain of his identifications, in most instances being forced to sit and mull over the name for a short period before giving a rather hesitant reply.

SA JOHN Mc NAMARA

DOROTHY FAIRBANKS, nee WERST  
aka., Mrs. WILFRED WARREN  
FAIRBANKS, and Mrs. WILLIAM  
LEE CUMMINGS

On 8/17/53, the above captioned subject telephonically contacted the San Francisco office stating she wished to speak to an agent of this Bureau. The subject was interviewed by the writer and SA JOHN E. MC HALE for a short time on the 17th and again on August 19, 1953 at her residence 2511 Sacramento Street, San Francisco, California.

The subject advised that from approximately 1940 to 1942, she was a member of the Communist Party in Sausalito and San Francisco, California. She stated that she had been thinking things over for the past several months and had decided to advise the FBI of her past Communist Party activity in an effort to erase the matter from her conscience and to "set the record straight".

The subject furnished the following background concerning her. She was born in Seattle Washington on 10/4/20 and is presently employed as a matron at the San Francisco County Services Department, San Francisco, California since May 10, 1948. She was divorced from WILFRED WARREN FAIRBANKS in 1949 in San Francisco, California. She furnished his present address as 8256 Wallingford Avenue, Seattle, Washington. She stated that she married WILLIAM LEE CUMMINGS, an Artist, in Spokane, Washington in 1938 and divorced him in 1938. She stated CUMMINGS could be located through the Seattle Art Museum, Seattle, Washington. She advised that she had heard, from a source that she could not recall, that CUMMINGS has been active in the Communist Party in Seattle. She could furnish no further information concerning CUMMINGS. She gave her parents names as MARGARET and HORACE WERST, of Seattle, Washington.

Concerning her Communist Party Activity, she advised that in 1940 while residing in Sausalito, California, she and her husband WILFRED FAIRBANKS became acquainted with DAVID LEMON, a Sculpturer, and JERRY O'DAY, and Artist, both of Sausalito, California. She stated that LEMON and O'DAY now man and wife, were the ones that first aroused her interest in the Communist Party and afterwards recruited both her and WILFRED FAIRBANKS into the Communist Party of Sausalito, California. She advised that she and her husband attended several Communist Party meetings in Sausalito with the LEMONS, but she could not recall how many or exactly where the meetings were held.

Mrs. FAIRBANKS went on to relate that she and her husband moved in the latter part of 1941 to 915 Hamilton Street, San Francisco, California. She said that shortly after she and her husband began attending Communist Party meetings of the Potrero Branch, Mission Section, San Francisco. She advised that she had been issued a Communist Party Books, and recalls making only two payments dues. This book has been lost and she stated she could not remember its number.

A list of names of persons who have been identified by [redacted] in November 1943, has being members of the Potrero Branch of the Mission Section of the San Francisco County Communist Party was read to Mrs. FAIRBANKS. There follows the subjects comments about those names which she remembered as being Communist Party members of the Potrero Branch:

FELICE CLARK, Group Leader, meetings usually held at her home;

DON RUSSELL and RUTH RUSSELL, attended Communist Party meetings at the RUSSEL home. DON was a strong Union man and held office in the Potrero Branch Communist Party. (exact office unknown)

RUTH MANN, Communist Party member of Potrero Branch, freinds of the RUSSELLS.

PAUL JOSEPH VELGUTH, Communist Party member of Potrero Branch.

Mrs. FAIRBANKS further stated that GLADYS ATZAROTH and FAITH CRAIG were believed to be Communist Party Members, but she had never attended any Communist Party functions with them.

SF 100-22556

Mrs. FAIRBANKS stated that in 1942 she lost all interest in the Communist Party and its endeavors and that the immoral and coldly impersonal attitude of its members drove her to reject communism completely.

She advised that she, at one time or another between 1942 and 1943, attended the following Communist Party Front Groups, usually in the company of FAITH GRAIG:

Spanish Refugee Relief and the Tom Mooney Labor School, (now California Labor School) and stated that she had been instructed by the Potrero Branch to sell subscriptions to the "DAILY PEOPLES WORLD" but she had refused to do this.

Mrs. FAIRBANKS was thoroughly interviewed but claimed that since she had been away from the Party for so long a period of time, she could remember nothing further of her Communist Party Activities.

REPORTS OF [REDACTED]

RE: \_\_\_\_\_

There is attached to this memo and to be considered a part of this memo, a photostatic copy of a photograph which the above source furnished on 6-24-54 relating to Communist Party State Security Commission matters. This source had access to the effects of LISETTE LEVY KUTNICK, 709 Douglass Street, San Francisco, California, a member of the State Security Review Commission in District 13. (Documentation not necessary.)

The number appearing in the upper righthand corner of each photostat represents the numerical order in which the photographs were received. The attached photostat on which the subject is listed reflects a former member of the Communist Party who has become disassociated from the same by being dropped, having political differences, or by loss of interest. The date and reason for the above action is reflected after his name:

It should be determined if the subject has been interviewed, and if not, consideration should be given to interviewing the subject as a defector for the purpose of developing him as a security informant.

Also included and accompanying the above list of names is an explanation of the word "inactive" and "intimated" which appears after some of the names. This is quoted as follows:

"Where inactive or intimidated is used as a reason for drop, it should be known that the individuals have been contacted at least once and on most occasions several times. In some cases as indicated, the person has not been seen or heard of from one to three years. A list has been kept of the above drops for the purpose of repeating contacts. We feel, however, that from a security point of view the individuals so dropped be officially listed as such. The above then are the cases in which we were unable to get any positive response."

### OUR LETTER MARCH

Saturday morning, February 16, both rain and the determined march of women were predicted. 75 women walked to the Post Office to mail about 300 letters urging an immediate test ban as a first step to disarmament. Letters to the President were sent to the Washington Women for Peace to deliver to the White House. About 80 people passing by the three tables set up in front of stores near Union Square paused to sign a cablegram to Geneva. By noon through our cablegram, letters to our representatives, literature distribution, and our very message while walking, we surely had impressed upon many our concern that peace is everybody's responsibility. Then, as if, by careful planning, the walk ended and the rain began.

### THE "OLIVE BRANCH"

Thirty people came Feb. 8th for the first of a series of informal discussions at "The Olive Branch", 1419 - 18th Street (near Connecticut). These are being conducted the 2nd and 4th Friday of each month. Dr. Sadja Goldsmith led the discussion on "How Dangerous is Radiation" and there was a lively give and take. Next discussions will be :

Friday, Feb. 22 at 8 P.M. - Alice Hamburg, member of the Committee For Friendly International Visits who spent three weeks touring the Soviet Union as one of the guests of the Soviet Women's Committee, will discuss (with slides) "The Kremlin Puts Out the Welcome Mat."

Friday, March 8 - "Women on the March" (Women for Peace film) and "Children of Hiroshima" - a film

Friday, March 22 - "A Place for the Artist in a World of Crisis?" - Jean Halpert Ryden, painter

### PEACE ISSUES FORUM

All Women for Peace are invited to attend a "Peace Issues Forum" sponsored by the First Unitarian Church, Franklin and Geary Streets, Saturday, March 9, 10AM to 2 PM. Dr. Frances Herring will represent Women for Peace. Other organizations participating are Lobby for Peace, Turn Toward Peace, American Friends Service Committee, and the United World Federalists. Babysitting and coffee will be provided. Bring your lunch.

ECONOMIC PLANNING FOR PEACE  
Alice Hamburg

The world now spends \$120 billion annually on arms. The U.S. spends 10% of its gross national product. How wonderful if this could be spent to raise the living standards of the people of the world!

A study on the Economic Impacts of Disarmament made in 1960 for the sub-committee of the Senate Committee on Disarmament revealed that 80% of the 439 U.S. firms engaged in the arms business responded that they were not hostile to disarmament. Some were even outspoken in favor of efforts toward economic planning for it. The conclusion was that "such efforts would go a long way toward convincing the Soviet Union of the sincerity of the U.S. in the field of arms control."

Both the above study and the U.N. report on the Economic and Social Consequences of Disarmament stress the importance of planning to meet the special problems that will arise for business and labor during the period of reconversion.

Under a Defense Department agreement, from 2 to 4% of the contracts awarded to defense industries can be used for Independent Research and Development -- hopefully to find ways and means of shifting over to peace-time production. This is an item which we, as citizens, should publicize and get others to join us in writing to urge that these funds be used constructively. More appropriations are needed to study some of the psychological and sociological aspects of the changeover to peace-time pursuits.

Assemblyman Philip Burton introduced a resolution in the 1962 Budget Session of the California State Legislature urging a study by the Economic Development Agency on how to plan for maintaining full employment in the event of a termination or reduction in defense spending. The Economic Development Agency has been dragging its feet on this.

Recently two representatives of the U.S. Arms Control and Disarmament Agency visited Sacramento to interest the state government in sponsoring a conference on various aspects of reconversion. Unfortunately this request for cooperation was rejected because of the cost of such a meeting.

Assemblyman Burton is asking the Economic Development Agency for a report to the legislature on March 1 on progress of its research. Women for Peace on their caravan to Sacramento on March 6 will again call on this agency as they did a year ago when they visited the state capitol. We hope as many women as possible will join us.

Chairman: Dr. GOODLETT.

The audience was entertained by FAY PETRIE and IRMA TUOMENIN who sang MALVINA REYNOLDS song "Little Boxes" and other peace songs. IRMA also sang an English version Japanese song. Finally the audience sang "We Shall Not Be Moved."

Dr. GOODLETT stated that the Committee for International Peace Action is to get the word out throughout the world to admit the Chinese people into the United Nations. Second is to expand the world economy; third, create more jobs for Americans and fourth, to make disarmament possible. Since San Francisco is the birth place of the United Nations, GOODLETT believes that such action lodged here in San Francisco is appropriate. GOODLETT stated that BARNEY DREYFUS was supposed to have been here this evening but had another engagement. DREYFUS and his staff of lawyers earlier contributed \$50 to the peace cause. GOODLETT had also told DREYFUS to get VINCENT HALLINAN to put in \$50. GOODLETT said he did not want to ask VINCENT HALLINAN over the phone for the money because it could mean trouble. GOODLETT had hoped to raise \$500 tonight. He believes that between \$5000 and \$10,000 is needed to get the news out to the peoples of the world and to get the idea of the Chinese admitted to the United Nations.

SYLVIA POWELL stated to IRMA TUOMENIN that on April 11, 1964, all the sponsors for the San Francisco Citizens Committee to Preserve American Freedoms would meet at the GEORGE ANDERSON home at 570 El Camino Del Mar. She hoped that STERLING HAYDEN and the HALLINANS would be present. She also announced that Reverend PETE from Hayward is the vice chairman of the regional committee.

BETTY WINTERS stated to TONY BACHMAN that she is giving a dinner party for the PW at her home at 1581 Masonic Avenue, Sunday, April 12, 1964.

Public Meeting Sponsored  
by the SFCCPAF and the  
WILPF, 5/7/65

BILL BRADLEY, Chairman of CORE, spoke at length on the civil rights issue in San Francisco and in the South. Being a Negro, he believes that he has to work twice as hard to achieve any results in civil rights as compared with white people. BRADLEY elaborated on the Ku Klux Klan (KKK), its ideas, and how the Negro will combat violence in America.

CROMEY introduced FAITH PETRIE who sang several songs, accompanying herself on a guitar.

CROMEY introduced DONNA ALLEN, one of the three people who have been indicted for contempt of Congress. CROMEY believes that Miss ALLEN is to be sent to jail in two weeks because of her ideas. DONNA ALLEN explained her case to the audience. She and two other people, while in Washington, attempted to get TSCHOMBE, an African, a visa to go to Africa. Because of their actions in the TSCHOMBE case, the court said that they violated the law and now they have been convicted. The case will be up for appeal shortly. According to Miss ALLEN, there are only 10,000 Communists living in the United States, but because these three people were interested in the same issues as Communists, they have been labeled Communists. Miss ALLEN believes that they have not done anything wrong despite what the United States Government had to say about her case.

DALE GRONEMEIER presented the collection speech urging people also to sign up to help in the Regional Office of the National Committee to Abolish HUAC in San Francisco.

The meeting was adjourned.

Later Miss ALLEN and a couple of SARA CROME's close friends went to a place called David's for coffee.

Informant report is set out verbatim below:

"1-7-66

"December 18, 1965 there was a Christmas party of the Peace Center held at the home of Alden Campen, 1665 Emory St. San Jose. The main speakers of the evening were to be Mike Myerson & Harold Supriano who were to report on Vietnam. When it came time for them to speak, it was announced that they were unable to be there and that another get together would have to be arranged to hear them. Instead Mrs. Anderson and Peter Szego gave reports on their trip to Washington/MARCH ON WASHINGTON Nov. 27/. Betty Anderson told of seeing Bill Fitzhugh there plus a fellow from Palo Alto she knew. Mr. & Mrs. Norman Howard also went, Mrs. Maureen Smith, Peter Szego, Betty Anderson plus four students were sent by the Peace Center. Betty Anderson & Peter flew by plane and the others went via a rented car. Another protest planned in March.

"Among those present were: Simon & Sheba Smith, Faith Petrick, Emma Sterne, Bob Lindsay, Joe & Freida Graham, Vivian & Francis Fink, Fran & Don Clark, Virginia & Fred Hirsch, Mr. & Mrs. Judd Hartstein, Mr. & Mrs. Boehm, Peter Szego, Mr. & Mrs. Brown from Santa Cruz, The Andersons from Morgan Hill, Mr. Mitchell, Ricky Thorne & husband,

"Emma Sterne told me at this time that Barbara, her daughter, was in Belmont Mental Hospital and wouldn't be home for Christmas. Mrs. Hartstein told me her son, Max, is living in Mexico once again and gave up the bowery in New York City. Sounds like he is at the same place he was before just outside of Guadalajara. Sounds like Juaraca.

The above report was discussed with the informant, on 1-7-66, who had nothing more to add to this report.

Randi Champion  
Margaret Driggs  
Joe Cohen (also at PW picnic Oct. 9, 1966)

Phil Drath  
Ann Ligget (former student at Bakersfield College)  
Lorraine Winebrenner and her husband  
Bob Cowan  
Walter Kaufmann (invited by Cowan)  
Patsy Walker (invited by Cowan)  
the thin bald man who ran the International Book-  
store for many years  
Harold - the man who catered the picnic, who also  
catered the PW picnic this year, and last  
year  
Ernie Page  
and some 80 other people unable to be identified

The picnic cost \$1.50 for each adult and \$.75 for students. There were between 100 and 120 people there, estimatedly. The tone of the picnic was mostly informal. Faith Petrick sang folksongs by Malvina Reynolds. A woman got up and announced that there was a table set up to collect money for strikers in Delano.

Margaret Driggs announced that there was a rumor that teamsters and police were going to picket Mayor Shelley to demand that the policeman who shot the teenager in the Hunters Point riot be reinstated. If this turned out to be the case, she said, the "Peace forces" were alerted, and would turn out a counter-demonstration.

Phil Drath spoke on the Conference on Politics and Power in LA on 9/30, and said that there were two points of view, whether to support the lesser evil in politics, Pat Brown, or to disavow both evils. He compared Brown and Reagan to prostitutes, stating that in the mountains, sometimes a man had a choice: between a woman who was a prostitute all week long, and a woman who was a prostitute only on weekends. He said that he for one was tired of making this choice, and that he didn't wish to support Brown, the lesser evil, or Reagan. What he wanted was a "new politics," and the intention was to have people representing this "new politics" in all the local communities, on school boards, in local political offices, on central committees, and then in 1968 these local movements for new politics would run candidates. What they are after is a "grass-roots" democracy. Drath, for example, is on the central committee of the Dem. Party in Marin County [redacted]

National Guardian picnic (Cont.)

Barbara Champion asked that people please subscribe to the National Guardian; that the Guardian had a broad point of view and was trying to educate people to the necessity for socialism, and that sample copies were available outside at the table.

A number of people wore the "Viva Huelga" buttons.

Patsky Walker was asked by Cowan what her interest was in the Du Bois Clubs. She said that she had brushed up against Marxism about 3 years ago and that at SF State, the Du Bois clubs were "the thing, the 'in' club," and this is why she was interested in joining. She also wanted some social life she said, "purely selfish reasons," having nothing to do with politics.

Barbara Champion remarked that most of the people at dinner were subscribers to the National Guardian. Sonia Simmons told Cowan that she subscribed to the Guardian (she and Cowan's wife were friends) and that she and Specs, her husband, were close friends of the Morriszes, at whose home this party was held. Dave Morris is a potter.

There were a number of people who looked familiar, but this reporter simply did not know their names.

Bob Cowan	
Brenda Goodman	
Ezra Colton (the man who ran Int'l Bookstore)

Randi Champion	
Dale and Tim (his wife) Gronemeyer	
Ron or Rod Loomis and his wife	
John and Laura Zerzan	
(both Zerzan and Loomis were arrested at Port Chicago)	
Harry Glasscock (who ran a booth)	

This reporter ran a booth from 10 to 5 PM, selling posters. Various people engaged him in conversation, but on the whole, he just sat in the booth, addressing envelopes for the anti-HUAC committee.

Cowan was seen to engage Laura and John Zerzan in conversation during the day. John protested at Port Chicago and was arrested. Cowan asked him if he was a pacifist. He said he had been 3 years ago, but now he believed in socialism, and in the necessity of revolution. His wife, Laura, said later, while John was away, that she had difficulty believing in socialism. She had been raised in Catholic schools in LA, and felt that socialism might be just another nice belief like Catholicism, to give the people faith, but in reality unworkable. She said that "John assures me that things will be better under socialism. I don't believe in revolution, but John does. He says it's necessary. I don't see how you can create a better society by using such methods."

Among the posters sold at the Festival, there was also sold at the next table the Cuban Communist publication: Gramma (sp?). A number of people who appeared to be PL were present, but this reporter cannot identify them by name. Randi spoke to them and they asked if she were coming to the educational on Sunday, the text for which was "Scientific socialism," or some variant of this name. Betsy Blanck and Hal Driggs sat down for a private conversation. There was some folksinging. Hope Alexander sang, and later Faith Petric appeared, but did not sing while this reporter was present. The Festival was ill-attended while this reporter was present, perhaps because of the rain.

Dear Friends:

The American Russian Institute and our new Friendship Society take great pleasure in announcing a three-week 50th Anniversary Group Tour to the Soviet Union. You and your friends are invited to join us and enjoy unusual events not on the regular tourist itinerary. We assure you there will be many happy festivities.

Our trip takes us to 5 capitol cities, 2 Socialist countries, and 8 major world centers. You will see Socialism at work. I plan to lead this tour and through my long contacts I am arranging special meetings with people of all walks of life in the USSR in every city we visit. Many doors will be open to us there and in Berlin.

Brief detailed information on the three-week tour leaving New York July 11, 1967 is enclosed. We will send you news on the numerous special Friendship and Peace programs later. If you are interested in this exceptional opportunity to meet our Soviet friends and see their beautiful land, let us know at once. Write me or come in to talk over plans together. We can take only a limited number and will close our registration when we have reached it. Travelers already in Europe can join us there.

Cordially yours,

There were about 275 - 300 people at this event, which was held in the basement of California Hall. Admission, including dinner, was \$1.75. The tables were waited on by teen-agers. The dinner was served from about 5:00 PM on, and consisted of salad, wine, French bread and marg, and store-cookies. Everyone was passed out a song-book of the ALB, with a tri-colored cover of red, yellow, and blue.

At the speakers' table sat the moderator (unidentified to this reporter), another man introduced as a veteran of the ALB, recently recovering from a stroke, Alice Hamburg, Bert Kanewske and his mother, Archie Brown, Steve Nelson, an unidentified woman, Vincent and Vivian Hallinan, Mayo Hallinan and his date, Faith Petric.

The moderator introduced Faith Petric, who sang several songs, accompanied on her guitar. Bert Kanewske spoke, having been introduced as "having a few words." However, he spoke for 25 minutes, and finally his mother had to pass him a note to wind it up. (Parenthetically, both Bert and his mother appear to feel they are immensely important, and it is difficult to shut Bert up at public functions). A number of people spoke to the moderator while Bert was rambling on, and as this reporter was seated next to the speakers' table, he could see what was going on.

Kanewske was giving a standing round of applause before speaking. He talked about the horrors of the naval brig, how some men were cracking up in service due to their opposition to the war. He coughed a few times into the mike and commented: "That's something I got from prison." He continued about Vietnam being "another Spain," and noted that the war there is "immoral," and that opposition to it was increasing in the service.

Among the youth waiting tables were Carol Pittman, Dave Findley, and Bert K's brother.

The moderator had Vincent Hallinan take a bow, also Archie Brown, who was mentioned as "having taken his case to the supreme court, and won." Faith Petric led the audience in singing two ALB songs, "Jarana" and "Freiheit." She later wound up with "We Shall Overcome," which all sang with her. A collection was taken up, and \$229 was raised, of which Vincent Hallinan, it was announced, contributed a \$100 bill.

4/10/67

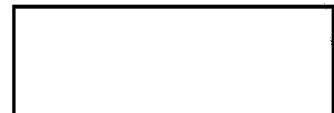

Kayo Hallinan's mother introduced him. She noted how busy he had been, altho he had been fighting for two years to be admitted to the California bar. She said he had gone to jail here in SF and in London, and had organized the DuBois Clubs. She said that she was proud of him. He next spoke. Kayo's theme was "youth," and he pointed out how the New Left, and much of the opposition to the war is being led by the youth in America. He noted how this was exacts its toll principally among the youth, who were being drafted to fight in it. He spoke of the opposition of youth to HUAC in SF in 1960, and how ten years ago, the youth were part of "the beat generation, beaten," but are now aware and moving. He paid tribute to the hippies in the Haight-Ashbury, as well as other youth. Kayo noted that opposition to the war is growing right in the services, and commented that these people in the service are average, non-political people, since "they don't let people like me in. I'm 4-F. This is one time I'm proud of an incapacity - my incapacity to serve in the United States Army." Kayo's speech was rather long, and as people in the audience talked throughout everybody's speech, parts were, at times, hard to follow.

Everyone stood for one minute of silence for the dead veterans of the ALB, including a man named Frank (?) Thompson, whose son was also present.

Alice Hamburg spoke about the Spring Mobilization. Several times she asked that people be quiet and give her "cooperation." She described the functioning committees of the SMC and passed out literature, and urged people to participate in it as much as possible on April 15, and also to put up incoming participants in their homes. She passed about a sign-up sheet for those who wished to accomodate marchers. She noted that the work of the SI was continuing despite the "red smear" against it.

Steve Nelson spoke last, and was given a standing ovation. He corrected Kanewski's comment that Vietnam was another Spain, by noting that the Spanish loyalist regime was elected by a majority, and was entitled to arms and support, whereas the Ky regime is a small "junta of generals." Nelson spoke about the Fascist uprising in April, 1937, and how the whole thing was the work of large landowners, generals. He said there was over 600 or 700 generals in Spain at that time, and that there was in fact one officer for every 6 enlisted men. Nelson noted how Mussolini and Hitler had backed and financed Franco. He pointed out how the loyalists had been inspired by the sight of foreigners flocking to Spain to fight against Franco. Some 3000 Americans, he said, were in the ALB, altho only 700 of them were now left alive. Nelson urged people to help in the campaign for Peace, mainly by marching on April 15.

Chances were sold on a book recently published on the ALB, and it was one by Joan Olson. The meeting adjourned at 9:00, and the speaking began at 6:30.

4/11/67

There were about 105 people at this meeting, which began at 4:45. Don Rothenberg chaired almost all of it. Don first announced that he and Ed Keating had talked with Phil Drath, who had risked his life to get supplies to the North Vietnamese Red Cross, and had just been interviewed by the press at 5:15 that day. Don said that as a veteran of many demonstrations, he felt that the formula to be followed in this one, and others, was that "people who disagree find their point of agreement." He asked that "each of us show the kind of self-restraint that comes from seeing the big picture," and continue working together.

Hipp Dawson presented her report. She said that greetings had been received from Chile, Peru, Belgium, and Vietnamese in France, which would be read at the rally at Kezar. People are coming from Eugene, Portland, Seattle, she said. On finances, she noted that \$1640.00 have been borrowed, and \$2000 more must be borrowed between now and April 15. She said that Sue Castro has gotten good publicity for the SM on the air and press, and that "Herb Caen will plug us daily." She noted that the Chronicle ad cost \$5000 and also brought in offers of housing, and was worth its cost for that return alone. She said that \$5.00 is enough to reserve a table at the Peace Fair. She asked that monitors, or people who wished to be monitors, meet with Stephanie Wishart after the meeting.

Al Williams stood and stated that 700 monitors will be needed. They are to meet at Market and Battery at 9:00 AM on 4/15. Edmund Coleman noted that the SMC will be solvent and even, perhaps, show a surplus, but must borrow \$2000 in the next several days. He requested that people float personal loans, if possible. Someone got up and asked what measures were being taken to protect the 55 Colton St. bldg. from molotov cocktails or ransacking. Hipp said that the bldg. was protected. Dave Fuller said that the Muni railroad is running special buses on 4/15 which will return downtown after the rally at Kezar.

A student named Carl reported on the student mobilization. He said that 120 campus anti-war groups had been contacted, and they will send "brigades" to SF. He said that a number of new colleges, e. g., 4 in San Diego, had set up anti-war committees, and some such as Diablo College, Santa Rosa JC, and that the Daily Californian at Berkeley and the SF Daily Gate were supporting the 4/15 SM. Much of this support had been gathered, he said, by students speaking before frats, sororities, and living groups, so that we might have students marching as "Sigma Chi Against the War," on 4/15. He said that students were distributing leaflets in front of factories, and especially distributing the labor leaflet. He requested that 1/3 of the money raised at the rally at Kezar be given to the student mobilization, which, he said, was \$7000 in debt, as students had largely helped to build the SM. Alice Hamburg rose and said that this should be decided by the finance committee after 4/15.

Al Williams spoke. He said that "reality is achieved in a meeting." He discussed the proposed program on 4/15 and the speakers who had been invited, noting that someone from the ILWU will be speaking after the message from Wayne Morse. He said that Rev. John Mangram of Fellowship Church will give the benediction. Walter Stack asked why Morris Evanson will not speak. Karen said that the DA had asked that he not speak as he is an important witness in the murder trial, but he will march on 4/15 (???). Trevor Thomas said that the pitch should be early in the program as the collection of funds takes considerable time, perhaps at least half an hour. Bob Himmel said that the chosen committee of 11, to function on 4/15 as a decision-making body, should decide on the timing of the speeches, etc., then. Asher Harer said that the money-pitch should follow a good speech. Blaine Wishart rose. He spoke rather heatedly, and said that "this program is a disaster." He said that there were too many people on it, with too much stopping and starting, and felt that it should be cut down considerably to make it effective. Jean Pelletiere spoke. She agreed with Blaine, and said that people should

simply be introduced, and t would understand that all cou. not make a speech. She said that otherwise the program would be too long, and ineffective. She said it should be cut in half. Jim Herndon said that nobody from the SF Negro community was represented. Somebody commented that Rev. Mengram will deliver the benediction. Herndon said that it's "time that Negroes stopped praying at rallies and started speaking at them," and suggested that Rev. Cecil Williams be invited to talk; that such a man would open more doors to the movement for peace in SF, such as the Ministerial Alliance. Dave Napolito said that the list should not be reduced in number. A man named Barney Robin from LA spoke. He said that there were 5 speakers from Sanparts, including Eldridge Cleaver, Ed Keating, Julian Bond, and felt that the speakers' list was weighted. He also said that he represented the "LA Friends of the Minority of One," and felt that that paper's editor, Arnoni, should be invited to address the rally on 4/15. He also thought that there was "no radical" on the list, and that the radical point of view should be represented, and said "we were the premiere anti-fascists," and should have a chance to speak on 4/15. His talk caused much irritation among the group, some of whom commented that Arnoni could not speak for less than 2 hours, and would not be suitable; also they didn't appear to relish his attacks on Sanparts as hogging the show. Trevor Thomas commented that the whole program was much too long and led to too many "fragments and pieces."

Ed Keating stood to defend himself. He said that 3, not 5, people from Sanparts were speaking, and noted that Robert Heafce Brown had finally agreed to address the rally. Keating said this was "extremely important" because of Brown's "impeccable middle-class credentials." Aubrey Grossman spoke and said that the selection of the speakers should be left to the 11-person committee, and they should just be given guidelines. Someone objected, stating that the SFC-steering committee should decide right now and not leave it to any sub-committee. Asher Harer said that this is a rally, not a teach-in, and simple, clean slogans and statements can be uttered. Walter Stack said that all the program would run over, and must be cut down. Gabriel Werbner began to speak, but said he had "no new comments." Sylvia Weinstein said that it was a "tremendous onen that people want to speak" and noted that it was significant. Somebody asked if the speakers had been told what to say, and for how long. Karen said that the speakers from a distance had been told what to say, but the local ones will be told later.

Rod Robinson stood. He asked why people could not spend a day at the rally - what was so difficult about that? After all, he said, people often spent an entire day watching TV.

Barney Robin moved that Arnoni be invited to speak. The motion was defeated with a shouted no. Archie Brown moved that the committee of 11 be instructed to cut the speakers to no more than 6. A number of people spoke against the proposal. Alice Hamburg asked how the time limits could be executed on the speakers. Don said "I'll be the hatchet-man." He commented the speakers were not amateurs, and would be given one-minute wind-up signals, and would know when to cut it off. Lester Cole asked who would be instructed to carry out the commission to cut down the number of speakers. Archie said it would be referred to the committee of 11. Nat Weinstein said not to throw it back to a sub-committee. Jean Pelletiere asked that we all vote on how many were wanted, and who, to speak. Paul Litz spoke against Archie's motion, stating that it was important for people, and labor, to hear a large number for their own motivation. The motion was voted upon, and 50 people voted for it, and, according to Don, who counted the hands, more than 50 voted against it, thus defeating it. Bob Himmel moved that the program be accepted as presented on the yellow sheet. Herndon said that a group called the Afro-American Association should not be allowed to dictate to the SFC which Negroes should speak; more respectable, important, ones should be invited. Clyde Cumming spoke for herself, but also for the Afro-American committee. She said that if Rev. Williams had been proposed earlier, he would have been invited. Karen Calbot said that Jim Herman of the ILMU would speak. The motion to invite Rev. Williams to speak was defeated.

4/12/67

It was HSC that the program was carried out as planned. It was now 10:15 and Keating took over briefly, to introduce Don Rothenberg. Don said that a small group of people, including him, and Bob Himmel, had met the previous night and come up with a list of suggestions as to what to do, and where to go, after 4/15. Don presented the following suggestions:

- (1) cards be distributed on each seat, including a list of projects to be carried out by each participant in the rally. Also the card would state: "I authorize a delegation to Washington and state capitols to speak against the War in Vietnam," this card to be returned to 55 Colton St.
- (2) that a "bull session" be announced at Kazar, to be held on 4/16 at 55 Colton, to which people from outside the Bay Area would be invited, to plan activities on a grander scale.
- (3) this steering committee to meet two weeks from this night (April 25) to consider follow-up plans
- (4) Keating announce at the rally that a delegation will go to Washington
- (5) a delegation go to Sacramento to meet with legislators led by Paul Schrade, to ask legislators to consider an economic reconversion plan "for the day peace breaks out." And, said Don, if the war is still on in November, perhaps a national peace action can be held then on November 11. Don also suggested that young people especially, but not only they, be called upon to reach "down into the grassroots of the community to make this a more powerful anti-war movement," including making this summer "a Vietnam summer."

Esmond Coleman said that now is the time to announce a new organization, by name, to continue the work of the SMC, and that a group should also be formed to handle, and allocate the surplus remaining after the collection on 4/15.

Margrit Pittman said that (1) proposals for action should be of a political, not a tactical nature, such as opposition to the draft, and that (2) a permanent organization should now be set up, with specific proposals for action.

Keating said there would be an evaluation conference, probably in Cleveland, Ohio, following the 4/15 Mobilization, to evaluate the SM, and plan future action. Trevor Thomas said that he had been on the little committee that met the prior night, and he suggested that names and addresses of each person attending on 4/15, at the stadium, be obtained, and somehow, that each person there be given a feeling of participation. Aubrey Grossman said that we must know first what the NYC SMC was planning, before we could go ahead. Keating said he would call them; however, he said, they are in a sense looking to the SF SMC to take the initiative. Irma Tuominen said that a new dimension had been added to the peace movement, now that labor is involved. Asher Harer spoke, saying that he was working on the Policy Statement on War Committee, organized by Ed Farley, and that the vote against the war, or referendum vs. the war, should be gotten on the ballot everywhere, as it was in Dearborn. Sue Castro said that we must dramatize the SM, and have a speakers bureau, good press, a Vietnam summer, and anti-war billboards. Kipp said that we must form a national movement with continuing projects. Latz stated that the labor committee is re-forming as a Labor Committee for Peace and Social Justice, and read a lengthy resolution to that effect. Coleman proposed that mobs take place at all capitols in the US. Himmel said that "our strength is that we can work together on opposition to the war," the many points of view are represented. Clara Auerbach said that we should have a meeting on Sunday, 4/16. Rod Robinson asked that people cash in their US bonds to oppose the war, and also that the funds collected at Kazar be used to set up a peace center permanently. It was about 12:00 midnight when the meeting adjourned, and only some 25 - 30 people remained.

WOMEN'S INTERNATIONAL LEAGUE FOR PEACE AND FREEDOM (WILPF)

In a leaflet dated January, 1962, WILPF described itself as follows:

"What is the WILPF?

"It is the Women's International League for Peace and Freedom, an international, interracial organization striving for peace and freedom by non-violent democratic methods. It was founded in 1915, during the first World War, and its first president was JANE ADDAMS, the first American woman to win the Nobel Peace Prize.

"How Does it Work?

"It keeps its membership informed on current problems through its legislative office in Washington. It issues its own pamphlets, study kits, fact sheets, and cooperates with like-minded organizations. WILPF has consultative status at the United Nations on a national and international level.

"What Does it Do?

"WILPF, through its local branches, sponsors public discussion on such topics as disarmament and world law, nuclear testing, civil defense, Berlin, civil rights, etc. Through its Peace Action Committee, WILPF initiates peace walks, vigils, and meetings, as an organization and with other peace groups. Peace education for children is a special concern of WILPF.

SAN FRANCISCO CITIZENS COMMITTEE  
TO PRESERVE AMERICAN FREEDOMS  
(SFCCPAF)

A source advised on April 7, 1960, that a San Francisco affiliate of the Citizens Committee to Preserve American Freedoms (CCPAF) had been established at a meeting held in San Francisco on April 4, 1960. The source advised that the San Francisco affiliate, to be known as the San Francisco CCPAF, would carry out in Northern California the program of the CCPAF.

The last meeting of the SFCCPAF was held March 11, 1966, and its sustainers and mailing lists were turned over to the San Francisco Regional Office of the National Committee to Abolish the House Un-American Activities Committee (NCAHUAC) according to a second source on March 11, 1966.

CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 43 concerning "Citizens Committee to Preserve American Freedoms":

1. "The (Communist) party's front operations in the Southern California District today are \*\*\* confined to four major organizations, "which include the Citizens Committee to Preserve American Freedoms.

"The Citizens Committee to Preserve American Freedoms \* \* \* specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by Frank Wilkinson, an identified Communist who recently resumed the full-time paid post of executive secretary after approximately a year's leave of absence to assist in similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles September 2-5, 1958, to inquire into the nature of the party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the Party in this effort was revealed by (Communist Party) District Chairman Dorothy Healey in a report to the Party's Southern California District Council on September 21, 1958. Mrs. HEALEY declared that the party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at openly Communist rallies without creating the impression that the party was conspiring with witnesses to withhold information from the committee."

(Committee on Un-American Activities,  
House Report 259 on the Southern California  
District of the Communist Party, April 3,  
1959, pp 7 and 8.)

NATIONAL COMMITTEE TO ABOLISH  
THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

The "Guide to Subversive Organizations and Publications" issued December 1, 1961, by the Committee on Un-American Activities, U.S. House of Representatives, Page 115, contains the following citation regarding the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

"Cited as a 'new organization' set up in the summer of 1960 to lead and direct the Communist Party's 'Operation Abolition' campaign. Seven of the national leaders of this group have been identified as Communists.

"(Committee on Un-American Activities, House Report 1278 on the Truth About the Film, 'Operation Abolition', Part 1, October 3, 1961, P. 5)"

A source has advised that the NCAUAC changed its name on March 3, 1962, to include the word "House" in its name, thereby becoming known as the National Committee to Abolish the House Un-American Activities Committee (NCAHUAC). A national meeting of this organization was held in Chicago, Illinois, on April 27, and 28, 1963. *C*

A second source advised on May 9, 1966, that as of that date the NCAHUAC continued to function with headquarters at 555 North Western Avenue, Los Angeles, California.

AFTON TOURS, INCORPORATED

Records of the Foreign Agents Registration Section (FARS), Department of Justice, Washington, D.C., reflect that ALEXANDER SVENCHANSKY registered Package Express and Travel Agency, Incorporated, Brooklyn, New York, on February 24, 1958, as an agent of Intourist Limited, Moscow, USSR. The purpose of the business was given as transmitting parcels to citizens of the USSR. SVENCHANSKY named Afton Tours, Incorporated, 1776 Broadway, New York City, as a branch of Package Express and Travel Agency.

FARS records reflect further that Afton Tours was registered individually as an Intourist agent from May 1, 1959 to December 24, 1960, when the registration was terminated by action of the FARS. Package Express and Travel Agency, as of February 24, 1967, continued to be registered with the FARS.

A source advised during April, 1967, that Afton Tours, Incorporated continues to operate from 1776 Broadway, New York City. The source stated that the majority of the tours arranged by the firm are for individuals or groups traveling to the Soviet Union, and other East European countries. According to the source, some of the individuals who have used Afton Tours are publicly known as Communist Party members. The source added that many of the group tours handled by Afton Tours have been organized by groups recognized as Communist front organizations.

ALEXANDER SVENCHANSKY was linked with a Soviet espionage ring in testimony before the Senate Internal Security Subcommittee on November 2, 1953, by HARRY GOLD, confessed atomic spy.

The 1966-1967 New York Telephone Directory lists Afton Tours at 1776 Broadway.

A characterization of Intourist is set out separately.

The files of the Passport Office, U. S. Department of State, reviewed by a representative of the Federal Bureau of Investigation (FBI) on July 14, 1967, disclosed that passport number H 341005 was issued at San Francisco, California, on April 19, 1967, in the name of Faith Craig Petric for proposed travel by Organized Tour to England, U. S. S. R., France, and Germany for purpose of "recreation." In her application at San Francisco dated April 18, 1967, she stated her intention to depart New York via "Air India" about July of 1967 for a stay of three weeks. This passport was valid for three years' travel to all countries except Cuba, Mainland China, North Korea, and North Vietnam.

This individual stated that she was born September 13, 1915, at Orofino, Idaho and her file reflects that her Birth Certificate, in the name of Dorothy Faith Craig, was seen by passport authorities. She gave her permanent residence as 885 Clayton, San Francisco, California. She listed her parents as Stephen Merrill Craig, father, born in Kansas, date unknown and Anna Vivian Van Hise (nee), mother born March 14, 1877 at Benkelman, Nebraska. She indicated that she was last married in September of 1948 to Lubin Petric, born in Idaho and that the marriage was terminated by divorce. In event of death or accident, she requested that Carol Craig, daughter, be notified at 885 Clayton, San Francisco, California.

The following description appears in her file:

The LHM is classified "Confidential" to protect the identity of [ ] a source of continuing value, who is the source referred to in the LHM.

[ ] advised that he discovered a list containing the information set forth in the attached LHM in the desk of SI GERSON, a former employee of Afton Tours, 1776 Broadway, NYC, following GERSON's resignation in September, 1967. GERSON, a member of the Communist Party National Committee, handled most of the preliminary details in arranging the 50th Anniversary Tour for Afton. The informant has previously advised that many of the group tours handled by Afton Tours, which have been organized by groups having some connection with the Communist Party or front groups, have been handled by GERSON because of his affiliation with the Communist Party.

Information set forth in the attached LHM is limited in nature, and in many cases is probably already known to receiving offices. It is being reported, however, since the nature of the language used indicates it emanated from subject organization, and most likely reflects a true evaluation of the political sentiments of the individuals named.

For the Bureau's information, FIONA ST. JOHN is a resident of Canada, and the RCMP may have an interest in the information concerning her.

Event: Barbecue dinner to benefit the People's World, at the home of Harold Heller, 16 Walnut Avenue, Mill Valley, 2 PM on, June 9, 1968.

<u>Present:</u>	Steve Murdock	Manny Brooklyn
	Preston Stallinger	Miriam Rothschild
	Mrs. Stallinger	Phil Drath
	Harold Heller	Faith Petrick
	Mrs. Heller	Irving Fromer
	Bill Learned	Jon Fromer
	Anna Medic	John Jennings
	Anne Medic	Mrs. Jennings, and her children.
	Bob Cowan	
	Anne Cowan	
	Sonia Kaross	
	Vincent Burda	

(Some 40 persons were present).

Admission to the barbecue, held in Harold HELLER'S back yard, was \$2.50 per person. The menu was chicken or steak, salad, coffee or kool-aid, and cake or watermelon for dessert. At about 4:30 PM STEVE MURDOCK spoke about the function of the PW, and its necessity in these times. He went into the triumph of rightist candidates in California, such as Reagan and Rafferty, and how, now, more than ever, such a press was of importance. JON FROMER ~~sang~~ sang some songs before this, and afterward PHIL DRATH said a few words about how they had to keep fighting, and how he had won the 6th congressional district nomination despite his anti-war stance. After this, the trio of IRVING FROMER, JON FROMER, and FAITH PETRICK sang together, with Jon and Faith both playing their guitars

MIRIAM ROTHSCCHILD talked with BOB COWAN about the NCAHUAC committee. She said that its former secretary, JUDY RUDNICK, had become pregnant to obtain a draft deferment for her husband, CHARLES RUDNICK. She said that the new secretary they had had, BRUCE BENNER, had "hangups," and was not able to handle the job, so had resigned on June 7, 1968. She said that she would like BOB COWAN to handle the job of executive secretary for the committee, but knew that the job wouldn't pay enough for him (only \$80 per week). She said that FRANK WILKINSON had seen the letter that COWAN had drafted on the new SACB hearings, for the NCAHUAC, and had liked it. She said that there would have to be a committee meeting soon to organize things again for the organization. She also said that there was some \$4200 in a checking account, left by a dead man, to the SF branch of the American Committee for Protection of Foreign Born, but that Mrs. Kramer wouldn't release this money, but wished to use it for the re-opening of her own case. She said that ROSE CHERNIN had said that the LA committee had reorganized itself for legal defense, somewhat along the lines that this new group has in Berkeley; the Bay Area Committee for the Defense of Political Freedom, and that she and a number of persons would like to see the SF group organize itself the same way, and use this money for the same purpose. This reporter left about 5:30 PM.

Food was served in the park by Jack RADEY, Zena DRUCKMAN, and Harold HELLER. Dessert was served by Anna and Anne MEDIC and Mrs. HELLER. Admission was \$2.00 for adults and \$1.00 for unemployed and students. This reporter arrived at 12:30 and left at 4 PM.

The Mime Troupe presented a farce titled "The Farce of the Worthy Pierre Patelin," about a shyster who tried to cheat a merchant out of a piece of cloth goods.

JON FROMER sang a number of songs afterward, including "Bourgeois Blues," Ballad of Bobby Hutton, and "I Refuse to Go." Then Ronnie STEVENSON gave a little speech, asking for money, and made a number of announcements. Stephanie WISHART announced that tickets were available for the Pete Seeger concert scheduled for October 11.

A number of the youth had a volleyball game next to the parking lot.

Mr. Nikolai P. Popov, Editor  
SOVIET LIFE  
1706 - 18th Street  
Washington, D.C. 20009

Dear Mr. Popov:

We are happy to know you will be with us on Nov. 19th  
as the representative of the Soviet Union on our program.

As soon as I get information on the additional talks from Mr.  
Hoggis of the World Affairs Council, of course I will let  
you know. As I mentioned to you on the telephone, there  
are other organizations that will be interested in your  
visit, but I must get the confirmation on the talks for the  
World Affairs Council before inquiring about their wishes.

Would you please ask that someone in your office send us a  
list of the Novosti pamphlets and any other published  
material that you have available for distribution? As I  
think you know, we have a bookstore and distribute a large  
amount of literature to friends of the USSR and all  
interested people.

It will be a pleasure to welcome you to San Francisco  
during your November visit.

Every good wish,

Holland Roberts

Mr. Warren Franklin  
2707 Virginia Street  
Berkeley, Calif.

Dear Warren:

We are to have several Soviet guests at our meeting celebrating the 50th Anniversary of the USSR at the Jack Tar Hotel, Sunday, Nov. 19, whom we would like to have you meet.

I am hoping that arrangements can be made for film work in the USSR in the coming year. It would be useful to have these people know you.

We would also be happy if you would be our platform guest at the meeting so that we can present you as one of the delegates to the Youth Conference this past summer.

Please let me know if you can be with us.

Every good wish,

Holland Roberts
